Hey Gary,

Unfortunately, I didn't take a lot of pics of the sumps. I've attached every sump pic I could find. Sorry about that!

I'm assuming that you saw the after pics on [OSC.net](#)?

Let me know if you need anything else.

Thanks,
Daniel

Do you have some pictures of the o/w separator prior to and after we did work on it as well as the other sumps?

I have a presentation to the RRT in early November and am trying to put something together that will show before and after photos.

Thanks
